ADDENDUM #2

Issue Date: May 7, 2014

RFP Title: Restoration of Competency Services for Juveniles

Issuing Agency: Department of Behavioral Health and Developmental Services (DBHDS) - Office of Forensic Services

Purpose: RFP Clarification and Offeror Questions and Answers

The following Questions were submitted to the Department of Behavioral Health and Developmental Services under RFP 720C-04392-14C. Questions are reprinted along with the department's answer.

- Q1. We are submitting a region grant, but Attachment 1 does not include many counties from our region. I know some counties do not often order restoration and maybe that resulted in them being left off, but I wanted to clarify how I should address something like: Wythe County is not in PPR III, but we would like to include them in our coverage area in the even[t] that future orders are received.
- A1. Offerors should include and identify in its proposal all areas it proposes to offer Juvenile Competency Restoration Services. Areas not highlighted in the RFP did not have an assigned case in the past three years.
- Q2. Our existing contract include mileage at the state rate. I don't see a row to include that in this RFP. Will mileage no longer be reimbursed?
- A2. An Offeror can propose mileage reimbursement as part of their cost proposal.
- Q3. The last row on this attachment is asking for a unit of service per case. Can you clarify what you are looking for in this field?
- A3. The Unit of Service per Case is an alternative pricing model where an Offeror proposes one fixed price to provide all services to a juvenile for the full duration services are needed. The Unit of Service per Case is not a required submission.
